

Community hospital established in 1900.

Opened with 26 beds; now 171 beds.

12,000 inpatients discharged per year;

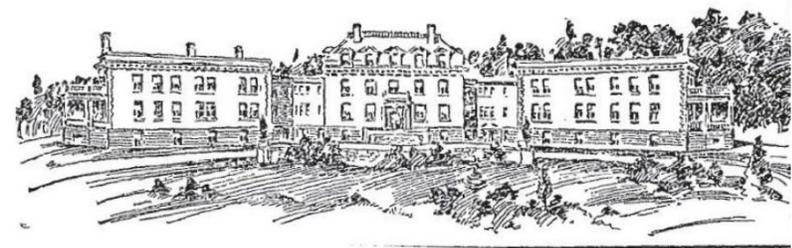

30,000 ED visits per year;

200,000 outpatients per year.

1,600 employees; 38% Boston residents.

High demand for patient beds in  
community.

Need to modernize inpatient facilities –  
not expanded since 1976.

FAULKNER HOSPITAL.
