

MINUTES
DESIGN COMMITTEE OF THE BOSTON CIVIC DESIGN COMMISSION

December 18, 2018

5:00pm, Room #937A, 9th Floor, Boston City Hall

Project: **Hood Park PDA Master Plan and 10 Stack Street**

Present: Deneen Crosby, Linda Eastley, Andrea Leers, Anne-Marie Lubenau

DISCUSSION: In response to design committee comments, the project team simplified façade design for 10 Stack Street. Following the building design update, the team gave an overview of open space and landscape design strategy.

The Project team used a digital presentation and model to outline their approach and the Project updates and answered questions from the BCDC Commissioners present. The Project will return to Design Committee.

6:00pm, Room #933A

Project: **Dock Square Garage**

Present: Deneen Crosby, Linda Eastley, Andrea Leers, Anne-Marie Lubenau, William Rawn

DISCUSSION: After extensive feedback in previous design committee sessions, the project team presented one refined building design. During the presentation, BPDA staff spoke in support of the design scheme. Commissioners expressed their concern regarding the scale of the project, but complimented the aesthetic composition.

The Project team used a digital presentation and a model to outline the Project and answered questions from the BCDC Commissioners present.

7:00pm, Room #937A

Project: **60 Kilmarnock Street**

Present: Deneen Crosby, Linda Eastley, Andrea Leers, Anne-Marie Lubenau, William Rawn

DISCUSSION: Commissioners came to a supportive consensus in response to the redesigned building connection over the public alley. The heightened space creates a forecourt to the building. The design of the façade along Peterboro was also updated in response to feedback during previous design committee sessions.

The Project team used a digital presentation and a model to outline the Project and answered questions from the BCDC Commissioners present.
